Guaranteed compensation with Accident Assist

Everyday, South African motorists are faced with multiple road hazards when travelling, ranging from highway construction, bumper bashings and road rage. Statistics revealed that December 2016 saw a staggering increase of 17% in vehicle collisions compared to that of December 2015. Matrix is with you every step of the journey which is why Matrix Protect offers you Accident Assist. This provides you with immediate access to the Road Accident Fund (RAF) claims management system, with a 100% recovery paid back to you and your family.

Accident Assist gives you:

RELIEF

RECOVERY

REPRESENTATION

No queues or paperwork. Your paperwork will be processed in a fraction of the time, thanks to the Matrix Protect legal team.

You will receive 100% of the RAF payouts with no additional or hidden costs to you.

Our expert team provides full medical, legal and administrative support.

Frequently Asked Questions

Who can claim?

Any person, including their dependents, who have been injured in a road accident, where the accident was not their fault.

When a member claims, what percentage of the compensation goes towards Matrix Protect for the legal cost of the claim?

100% of the payout is passed back to you, the member.

Can you claim if you were a pedestrian that got injured in a vehicle accident?

Yes as long as it was on the road and it wasn't your fault.
